

Alpine Slide

At the only Alpine Slide in Kentucky, you will begin by taking the scenic chairlift ride to the top of the mountain. Get in your sled and you begin the $\frac{1}{4}$ mile trip down the mountain filled with turns and bends that are sure to give you a thrill! A unique control lever allows each rider to control the speed down the mountain. For your safety, only six years and up rides the Alpine Slide and there is no double riding.
