

## Cabins

Our cabins have the look of the old west, but offer many modern amenities. Cabins are fully furnished and offer full baths, kitchenettes complete with table, refrigerator, cookware, dishes, silverware, microwave, hot plate, and coffee maker, TV with DVD/VCR combo, individual charcoal grills, picnic tables, and all linens and towels are supplied. All cabins have a loft which can sleep up to 6 children. No beds are in the loft so bring your childrens sleeping bags. Each of our cabins overlooks the beautiful rolling hills and valleys of South Central Kentucky, the perfect end of a long fun-filled day at KY Action Park/Jesse James Riding Stables.
