

Western Gift and Glass shop

Come browse in our western gift and glass shop. We carry items such as leather western purses in all sorts of colors and rhinestone designs which come with their own matching wallets. Carry your cell phone in style with a western cell phone holder. They are available with conchos of different themes, plain leather, rhinestone studded, or just the perfect color to match the purse and wallet you just purchased. Accent your waist with our variety of rhinestone studded belts, or variety of belt buckles. If you are the true horse lover you will love to see our horse themed jewelry for the young or old at heart. You can decorate your house with the wide variety of western decor we have available such as: kitchen place mats, western statues, coat racks, metal art, wall hangings, mirrors, dream catchers, bathroom towel racks, salt and pepper shakers, or candle holders, just to name a few. Take home your horse back riding picture in a picture frame to accent your day of horse back riding, or to add the frame to your old time photo for the really antique look. Pick up your own Jesse James t shirt with all types of themes on the front. Or see the wide variety of blown glass we carry from the gold trimmed horse drawn carriage, and 3 piece train to the wide variety of animal figures to beautiful cake toppers.
